

Design meets functionality.
Never be late! Mondaine Sport II Chronograph with alarm.

This Mondaine/SBB Official Swiss Railways Sport II Chronograph is a strong statement in form and function thanks to the 42mm stainless steel brushed case with trendy black IP coated fixed bezel and six polished steel screws. The special sound box on the case back ensures a perfectly audible alarm signal.

Offered with either a black or white top-quality finish dial with signature red SBB (SBB

Schweizerische **B**undes **B**ahnen → Swiss Federal Railways) second hand and red accents, the

chronograph is immediately identifiable as an iconic, easy-to-read Mondaine.

Available with either a stainless steel five-row link bracelet, or a leather strap, the Sport II Chronograph offers big date readout at 12:00, luminescent hour and minute hands for readability in the dark, antireflective sapphire crystal and chronograph functions.

The watch is accompanied by a two-year guarantee, is Swiss-made, and backed by the Mondaine International Service Network (MISO). Available from authorized, professional watch dealers.

Suggested retail price CHF 675.-
