

For Ladies Only.

The Mondaine Swiss Official Railway watch has enjoyed unabated success since its launch in 1986 and has established itself as one of the 10 great classics in Swiss watch design.

The striking square "Evo Cube" model is typically feminine in terms of design and dimensions. Named "Evo Cube," its elegantly understated steel case frames the famous dial, instantly recognizable thanks to its excellent readability and signature red second hand.

Evo Cube is now available with a stylish ostrich pattern strap, either in cheerful framboise-red or in elegant black to appeal to women with an equal fondness for both form and function.

The watch is accompanied by a two-year guarantee, is Swiss-made, and backed by the Mondaine International Service Network (MISO). Available from authorized, professional watch dealers. Suggested retail price CHF 225,-
